On Thursday, January 8th, we invite parents and guardians to attend our Open House in our school gymnasium to learn about the Spanish Bilingual Program at Escuela Glenmeadows School. You will have an opportunity to view a short presentation about our school and program.

Our Spanish Bilingual Program provides students with the opportunity to acquire the basic skills for speaking, reading, writing, listening and communicating in both English and Spanish at a young age. In this program, Spanish and English are used as the languages of instruction. Prior language experience is not required for registration and parents do not need to know the language

The Open House will include the following:

- Welcome Introduction and Opening Remarks
- School Council and Society Chair
- Why Choose Escuela Glenmeadows School: Spanish Bilingual School with a STEM Focus
- Our School Structure
- Introduction to Kindergarten and Grade
- Kindergarten and Grade 1 Spanish Bilingual Program Overview
- Student Supports
- Busing
- How to Register
- Before and After School Care Program
- Questions and Answers
- Tour of the School and Classrooms

We look forward to meeting you during the registration process and welcome you to Escuela Glenmeadows School.
